CHECK WELL-BEING/ATTEMPT TO LOCATE

Investigators with the Kearney Police Department continue to work with our partners at CHI Good Samaritan and the Department of Health and Human Services (DHHS) to locate and check the well-being of the adult patient who left the hospital on February 4, 2019 after giving birth to twins.

We understand and appreciate the public reaction to this case involving two innocent infant boys, who are safe in the custody of DHHS. We are also concerned for the well-being and safety of their mother. Our goal, with the outreach to the community, is not one to condemn or discourage the decision of the mother, but rather to ensure this mother is safe based on the circumstances presented. This is not a criminal investigation.

We are working closely with DHHS and the Buffalo County Attorney's Office on this case. Once located, the identity of the mother will not be released by the Kearney Police Department.

Your continued support and patience as we investigate this case is greatly appreciated. Anyone with information regarding this case is asked to contact the Kearney Police Department at 308-237-2104
