For Immediate Release

Issued Date: April 5, 2023

Point of Contact: Lt. Derek Luke, Kearney Police Department, (308) 233-5256

Alley direction change on East side of Law Enforcement Center

The direction of travel in the alley on the east side of the Law Enforcement Center has been switched from Southbound traffic to Northbound traffic. This has been done to increase visibility and safety for pedestrian traffic and vehicle traffic as they use area businesses. New “One Way” signs have been installed on the North and South side of the alley along with mirrors to enhance visibility of cross traffic as you leave the alley on the North side. The alley should now be entered off Railroad Street to travel North through the alley.

As always, please drive with caution and look for more pedestrian traffic as the weather gets nicer.
