CITY OF KEARNEY **PRESS RELEASE** ***For Immediate Release***

Issued Date: April 19, 2023

Point of Contact: Steve Hart, Sanitation Superintendent, (308)233-3206

Residential Spring Cleanup

The City of Kearney's Sanitation Division would like to notify Kearney residents of the various ways they can assist with spring cleanup. If you only have a trash container worth of stuff to toss, Sanitation is doing a one-time extra trash collection during the month of May. If you have just a few larger items, schedule a Special Item Pickup, or if you have more, consider renting a dumpster or a roll-off box. More information for all the services can be found below.

Spring Cleaning Extra Trash Pickup – The Sanitation Division will be conducting a one-time extra trash collection during the month of May for residential uses (not available for commercial businesses). See the following information to determine when your extra pickup is scheduled:

- If your residence is south of Hwy 30 and east of 2nd Avenue, your extra collection will happen on Friday, May 5.
- If your residence is south of Hwy 30 and west of 2nd Avenue, your extra collection will happen on Friday, May 12.
- If your residence is north of Hwy 30 and west of 2nd Avenue, your extra collection will happen on Friday, May 19.
- If your residence is north of Hwy 30 and east of 2nd Avenue, your extra collection will happen on Friday, May 26.
- If your residence is within Rolling Hills or regularly collected on Friday, your extra collection will happen on Monday, May 22.

****Please have your residential container at the curb for collection by 7 a.m. on the scheduled day. This special extra collection will not be rescheduled if the container is not at the curb for collection.**

Special Item Pickup – The City of Kearney Sanitation Division offers a “Special Pickup” service to its residents. This service can be used when the resident has bulky items that need removed from the property or when the trash to be collected is greater than what a residential trash container can hold. A fee of \$30.00 is charged per 15 minutes of collection time, for this service, with a \$30.00 minimum. To schedule a Special Pickup, please call the Sanitation Division at (308)233-3206.

Dumpster Service – A three-cubic yard container can be rented for cleanup. A container can be rented with an \$80.00 deposit, \$40.00 delivery fee, \$40.00 empty fee (per empty),

and a \$1.55 daily rental fee. If a container is reserved, for 7 days or less, in the month of May, the delivery fee and daily rental fee will be waived. Call the Sanitation Division at (308)233-3206 for more information and to schedule.

Roll-off Box Service – A 30 cubic yard open top roll-off box can be rented for cleanup. A roll-off can be rented for a \$137.00 empty fee (per empty), \$35.00 per ton of waste, and a \$3.00 daily rental fee. The roll-off should only be filled to the box height, so it can be tarped for transportation to the Landfill. Please note, roll-off boxes are limited. Call the Sanitation Division at (308)233-3206 for more information and to schedule.

Free Landfill Month – The City of Kearney is also hosting free landfill month during the month of May. Please read the separate press release for additional information and details.

Electronic Waste – The City of Kearney does not accept or process electronic waste. Please see the following page on the City website for more information regarding who accepts these items: <https://cityofkearney.org/1526/Electronic-Waste>.

Batteries – Batteries should not just be thrown away in the trash, please see the following page on the City website for more information regarding who accepts the various types of batteries: <https://cityofkearney.org/1620/Battery-Disposal>. If you need information to determine the type of battery, please see the [Battery Information](#) link, under the list of locations, for additional information.

If you have a Commercial site that is looking at doing some spring cleanup, please contact Sanitation at (308)233-3206 to discuss your options.
