STATE REVOLVING FUND PROJECT SRF D311676

CITY OF KEARNEY, NEBRASKA

For the construction of a new water tower and booster station, repainting of two existing water towers, the rehabilitation of two booster stations, and water main replacements.

**Financing provided through the State Revolving Fund Program
with a 0%-interest-loan of \$8,000,000**

The City of Kearney, Nebraska has been awarded a below market interest loan from the State Revolving Fund (SRF) Program at 0% interest for a new water tower, booster station, and water utility improvements. Federal and state funds are being used for this project to help ensure safe, reliable, and affordable drinking water and to help grow our communities. For more information on the SRF Program, please visit our website at <http://dee.ne.gov/>.
