Softball Live Streaming Now Available at Patriot Park Championship Field

The City of Kearney is excited to announce a complimentary live-streaming service for softball games played on the Championship Field at Patriot Park. In partnership with Hudl, the City of Kearney is currently testing cameras that offer live viewing of regularly scheduled softball games at Patriot Park (excluding the University of Nebraska at Kearney activities). There are no audio features available during the streaming and we will continue to work to improve the quality of the streaming service throughout the testing phase in an effort to provide free, quality live streaming service for viewers. We will evaluate this service and continue to expand streaming capabilities in the future.

To view this streaming service, please visit <https://team1sports.com/kearneysportsplex>. The first live-stream event will be Kearney High School VS Grand Island Senior High on Thursday, September 21, beginning at 4:50 p.m.

We are sending this News Release as a service to the news media and citizens of Kearney.
