CITY OF KEARNEY **PRESS RELEASE** ***For Immediate Release***

Issued Date: October 24, 2023

Point of Contact: Steve Hart, Sanitation Supervisor, (308) 233-3206

Last Yard Waste Collection for 2023

The City of Kearney Sanitation Division announces that the last regular yard waste collection for 2023 will be during the week of November 15 – 16.

Please remember that yard waste such as leaves, grass clippings, garden debris and tree waste is banned from being placed in any trash container. Trash containers observed with yard waste will not be collected until the yard waste is removed. The yard waste can be taken to the Kearney Area Solid Waste Agency Landfill where it is accepted free of charge during normal business hours.

The Sanitation Division would like to thank all residents that participated in the 2023 yard waste collection program. As a reminder, the brown yard waste containers will not be removed from each residence over the winter. Collection for the 2024 yard waste season is scheduled to begin the first week in April.
