## **CITY OF KEARNEY** **PRESS RELEASE** ***For Immediate Release***

Issued Date: March 6, 2024

Point of Contact: Lucas Dutcher, City Engineer 308-233-3218

### **US Highway 30 & 30<sup>th</sup> Avenue – Left-Turn Signal Modifications**

The City of Kearney, in partnership with the Nebraska Department of Transportation (NDOT), announces that modifications will be made to the left-turn signals at the intersection of US Highway 30 and 30<sup>th</sup> Avenue. The eastbound & westbound signals on US Highway 30 will be receiving the additional of left-turn signal heads. The northbound & southbound signals on 30<sup>th</sup> Avenue will have the current left-turn signal heads replaced with new signal heads.

The new left-turn signal heads in all directions will utilize the Flashing Yellow Arrow (FYA) indication similar to the traffic signal at 56<sup>th</sup> Street and Avenue N which was installed last summer. The signal modifications will be implemented and made operational over the next week.

Motorists should be aware of installation crews and should be prepared for the new signals after installed and made operational by NDOT.
