**CITY OF KEARNEY**  
**PRESS RELEASE**  
***For Immediate Release***

Issued Date: October 15, 2024

Point of Contact: Lucas Dutcher, City Engineer, 308-233-3218

**2nd Avenue & Talmadge Street Signal Repair**

The City of Kearney Public Works Department announces that traffic signal repair will take place at the intersection of 2nd Avenue and Talmadge Street overnight Tuesday into early Wednesday morning, October 16, 2024. Work will begin at approximately 1:00 AM. This work will require traffic to merge into one lane in all directions. The intersection will be controlled during this timeframe using stop signs all-ways, as the traffic signal will not be operating. The Kearney Police Department will provide assistance as needed. Barring unexpected delays, the intersection is expected to reopen prior to commute the same day. Due to the often-heavy volume of traffic in the area, motorists are urged to use extreme caution when traveling through the work zone, stay off cell phones, and be aware of equipment and crew members.
