Street & electrical repairs on 2nd Avenue from 39th St to 37th St

The City of Kearney Public Works Department announces that beginning Tuesday, September 30, 2025, at 7:00 AM, the southbound outside lane on 2nd Avenue between 39th Street and 37th Street will be closed to allow for necessary street and electrical repairs.

In addition to this closure, the northbound turning lane onto 38th Street will also be temporarily closed during the repair period.

Crews will be working diligently to complete the improvements, and all lanes are expected to reopen by Monday, October 6, 2025, weather permitting.

Due to the often-heavy volume of traffic in the area, drivers are encouraged to use extreme caution when traveling around the work zone, and be aware of equipment and crew members. The City appreciates the public's patience and cooperation during these essential infrastructure improvements.
