3rd Thursday Thing – A Computer Class Tailored to YOU!

Take some time to learn something new, on your terms! The Kearney Public Library is holding a class on the third Thursday of each month from 6:30 – 8:00 p.m. that offers almost endless topics. This month's class will be held on August 20 in the Computer Classroom on the lower level of the Kearney Public Library.

We have selected websites that offer excellent online tutorials that are free and self-paced. Options include: Microsoft Office Programs, Facebook, Windows 10, iPad Basics, Internet Safety, Email 101, and so many more! The spotlight topic for August is "Blog Basics." Take advantage of this open-lab night, where computers are set aside for all tutorial-students, who get to choose any topic of interest to them.

The class is free. Class size is limited to 15, with registration required. A library card in good standing is needed in order to attend. Stop by the Library or call 308-233-3612 to register or for more information.

Check out our web site at www.cityofkearney.org.

We are sending this News Release as a service to the news media and citizens of Kearney.
