**CITY OF KEARNEY**  
**PRESS RELEASE**  
***For Immediate Release***

Issued Date: November 3, 2016

Point of Contact: Steve Hart, Sanitation Supervisor, 308-233-3206

**Last Yard Waste Collection for 2016**

The City of Kearney Sanitation Division announces that the last regular yard waste collection will be during the week of November 14 through 18, 2016. Please remember that yard waste such as leaves, grass clippings, garden debris and tree waste is banned from being placed in any trash container. Trash containers observed with yard waste will not be collected until the yard waste is removed.

The Landfill does accept yard waste such as grass clippings, garden waste, leaves and small branches less than one inch in diameter free of charge during normal business hours.

The Sanitation Division would like to thank the residents that participated in the yard waste collection program, residents and the lawn care companies that delivered yard waste to the landfill compost site. By diverting yard waste from the landfill cells, landfill space has been saved for future waste disposal. Yard waste collection will resume the first week in April, 2017.
