CITY OF KEARNEY **PRESS RELEASE** ***For Immediate Release***

Issued Date: March 6, 2017

Point of Contact: Paul Briseno, Assistant City Manager/Director of Development Services,
308-233-3222

Downtown Announces Grant Funding Opportunities

The City of Kearney is soliciting proposals for the Downtown Façade/Life Safety Improvement Grant funds. A continuation of the newest program is the addition of life safety applicable projects for new upper story living units. There is a possibility of multiple funded projects this year. A 25% cash match is required.

The Façade Project Grant is designed to encourage renovation and preservation efforts for Downtown buildings. Property owners may request funds to remove inappropriate signage, awnings, lighting or building surfaces and restore the front façade.

Life safety improvements include fire suppression or escapes for upper story living units. Other related life safety improvements meeting the intent will be considered.

Proposed projects must be restricted to the front or rear façade and are subject to design guidelines as stated in the Application Packet. For questions regarding the guidelines or application process please contact Paul Briseno at 308-233-3222. Applications are available online at the City of Kearney website www.cityofkearney.org and can be found under Quicklinks on the right side of the home page or can be picked up at City Hall. Applications must be returned by 4:00 p.m. on Monday, May 15, 2017 to Paul Briseno, Re: Façade Project Grant, 18 E 22nd Street, P.O. Box 1180, Kearney, NE 68848.
