Kearney Library Offers Medigap Buyer's Guide Online Tool

Kearney Public Library now offers all cardholders access to Medigap Buyer's Guide. This easy-to-use online tool creates a guide, customized to each individual, to help choose the best and most affordable Medicare supplement insurance. By inputting your age, gender, and zip code, your resulting guide will show you what Medicare does and does not cover, your Medigap plan options, the best insurers in your area, and the premium rates for each plan offered by different insurers. The resulting customized guide, created by Weiss Ratings, can be downloaded or sent to you via email.

The Medigap Buyer's Guide can be accessed from the library or anywhere one has an internet connection. From the library's website at www.kearneylib.org click on Research Resources then Research Databases and Medigap Buyer's Guide. Use your library card number for access.
