PRESS RELEASE
For Immediate Release

Issued Date: May 25, 2017

Point of Contact: Peggy Eynetich, Code Enforcement Division, (308) 233-3235

Displaying Addresses on Residences and Buildings

In order to assist Police, Fire, and Ambulance services it is important that each building or residence situated on any street or avenue in the City display the proper street number of such residence or other building.

In accordance with the 2006 International Fire Code and City Code, all building numbers or approved building identification be placed in a position that is plainly legible and visible from the street or road fronting the property. Numbers shall contrast with their background and address numbers shall be Arabic numerals or alphabet letters. Numbers shall be a minimum of four (4) inches high with a minimum stroke width of one-half inch.

Do your part and help us find you in the case of an emergency.
