eBooks & eAudiobooks from Kearney Public Library

Kearney Public Library is proud to offer you best-selling and classic eBooks and eAudiobooks available 24/7 from the library's digital collection with OverDrive. The new OverDrive website was launched on June 6, 2017, so this is a great time to rediscover and check out the collection at: [<https://nebraska.overdrive.com>]. Browse, borrow, and choose to either enjoy your borrowed eBooks/eAudiobooks immediately in your web browser or download them to the free OverDrive app for mobile devices. No matter how you plan to enjoy, titles automatically expire at the end of the lending period. There are no late fees! This service is free with your library card.

Kearney Public Library has offered eBooks and eAudiobooks to its patrons to checkout and enjoy for years. The last few months we encountered several issues with this service and many of our patrons experienced difficulties getting their books. These issues have been resolved. If you are still struggling to get OverDrive to work for you, please call the library at 308-233-3612 or email us at brosenthal@kearneygov.org. We would love to help you get back to the books you love.

Check out our web site at www.cityofkearney.org.

We are sending this News Release as a service to the news media and citizens of Kearney.
