September is Library Card Sign-Up Month

September is Library Card Sign-up Month. This is a great time to open a library account at the Kearney Public Library!

The Library has something for everyone. With your free card, you can access our collections of youth and adult books, magazines, movies, use our public internet computers, stream and download music, check out digital magazines, eBooks, and downloadable audio books, access our databases, access our mobile printing service, use our interlibrary loan services, and reserve meeting spaces.

During the month of September, people who open a new library account at Kearney Public Library will be entered into a drawing for a book. Visit your library today and see all the resources we have to offer! For more information about applying for a library card, call the Library at 308-233-3282 or visit our website www.kearneylib.org.

The Kearney Public Library offers many fun and educational programs for all ages – whether or not you have a library card! September programs will include arts and craft programs for all ages, a variety of database and computer classes, story times and more! Pick up the Library's quarterly newsletter for dates and times or view it online on the Library's website. Like us on Facebook to access our online drawings and information on classes and events for youth and adults.
