North Channel of Platte River/Kearney Canal Clean-up

Kearney Whitewater Association (KWA) and the City of Kearney announce there will be a trash clean-up event along the North Channel of the Platte River/Kearney Canal on Saturday, March 17. The event is scheduled for 9:00 a.m. – 12:00 p.m., where members of KWA will remove trash to beautify the area.

The specific section planned for clean-up is between Central Avenue and Kearney Cinema 8. This is the proposed area for the water course the Kearney Whitewater Association has been discussing. The area is also along the last stretch of water between the two newly installed access points in 2016.
