CITY OF KEARNEY **PRESS RELEASE** ***For Immediate Release***

Issued Date: March 26, 2018

Point of Contact: Steve Hart, Sanitation Supervisor, 308-233-3206

Yard Waste Collection Program 2018

The City of Kearney, Sanitation Division, announces that the residential yard waste collection service will resume on Wednesday, April 4 for residents who live south of Railroad Street and in East Lawn and Valley View Trailer Courts.

Residents who live north of Railroad Street will have yard waste collected every Thursday beginning April 5.

Yard waste containers are emptied once a week for a fee of \$13.26 per month, per container. There is no need to call to reinstate service if you currently have a yard waste container. If you would like to receive a yard waste container, please call 308-233-3206.

Yard waste containers must be placed at the curb with the container handle toward the house by 7:00 a.m. on each collection day. All yard waste must be placed in the container so the lid can be in the closed position. Yard waste includes grass clippings, leaves, flowers, garden material and tree trimmings less than one inch in diameter. The yard waste is taken to the Kearney Area Solid Waste Agency Landfill where it is composted and made available to the public. **Please do not place trash or plastic bags in the yard waste containers.**

Please consider mulching grass clippings back into the turf rather than obtaining a yard waste container. For more information check out the Don't Bag it Program on the City Web page. Go to Utilities, click on Sanitation, Yard Waste, then Don't Bag It.

Check out our web site at www.cityofkearney.org.

We are sending this News Release as a service to the news media and citizens of Kearney.
