CITY OF KEARNEY **PRESS RELEASE** ***For Immediate Release***

Issued Date: April 4, 2018

Point of Contact: Shauna Petzold, Household Hazardous Waste Coordinator, 308-233-3208

“Restore” Weekend Hours

The City of Kearney Sanitation Division has partnered with the Kearney Elks Lodge #984 to create the Environmental Ambassadors Program. The Environmental Ambassadors will assist the Household Hazardous Waste Program to extend the hours that the “Restore” is open to the public. Year-round, the “Restore” is available to the public Monday through Friday from 8:00 a.m. to 4:30 p.m. Beginning in April and going through October, the Environmental Ambassadors will supervise the “Restore” during the additional hours, from 8 am to noon on the first and third Saturday of each month,.

The “Restore” is located in the Household Hazardous Waste (HHW) Facility, at 3620 Box Butte Avenue. Items that are taken to the HHW facility that are in good, usable condition are then put into the “Restore” for residents to take, free of charge. This not only helps residents by not having to purchase these materials, but it also helps the HHW Program by cutting down on disposal costs.

The HHW Program is excited to partner with the Kearney Elks Lodge #984. The members of the Kearney Elks Lodge #984 are very active in the community and will be an asset to the HHW program. On the first and third Saturday of every month, these members will volunteer at the HHW Facility to greet and assist visitors. The “Restore” will be open the first and third Saturdays of the month beginning on April 7 at 8 a.m.
