Tire Disposal Fees Reinstated

The Kearney Area Solid Waste Agency Landfill would like to thank the residents of Buffalo County who took advantage of the free tire disposal conducted at the landfill. The opportunity for free tire disposal was funded by a grant secured by the City of Kearney from the Nebraska Department of Environmental Quality Scrap Tire Reduction Fund. The landfill has now collected 2,495 tons of tires, which is equivalent to approximately 249,444 passenger car tires, from nine tire collections funded by the Nebraska Department of Environmental Quality Scrap Tire Grants. Normal disposal fees for tires will be reinstated at the landfill beginning Saturday, September 15.
