## **Restore Hours**

The City of Kearney Sanitation Division has been partnered with the Kearney Elks Lodge #984 to create the Environmental Ambassadors Program. From the first week in April through October, the Environmental Ambassadors open the Kearney “Restore” to the public on the first and third Saturday of each month, from 8 a.m. to noon. October 20 will be the last day to access the “Restore” during the Saturday hours for the remainder of the year. The City of Kearney Sanitation Division would like to thank the Kearney Elks Lodge #984 members for their work during the 2018 year.

The “Restore” is located in the Household Hazardous Waste (HHW) Facility, at 3620 Box Butte Avenue. Items that are taken to the HHW facility that are in good, usable condition are then put into the “Restore” for anyone to come and take, free of charge. This not only helps residents by not having to purchase these materials, but it also helps the HHW Program, by cutting down on disposal costs. While the Saturday hours for the “Restore” are ending for the winter, the “Restore” is still open to the public Monday through Friday, 8 a.m. to 4:30 p.m. The Environmental Ambassadors Program will resume the first weekend of April 2019.
