Thefts From Motor Vehicles

Since November 1, 2018 the City of Kearney has seen a spike in theft's from motor vehicles. There have been 37 reported thefts in this time frame. Most of the vehicles were unlocked and spare change was taken. Although we have received reports from all over the city, the majority of these thefts are focused along the center corridor of the city from east to west, south of 45th Street and north of 25th Street. Thefts from vehicles generally increase this time of year, however we have received more than usual this year. We are asking everyone to lock your vehicles and remove any valuables from them. Purses left in vehicles are a huge target and contain not just currency, but identification documents. If you see anyone suspicious loitering in your neighborhood, please give us a call at 308-237-2104 or 911.

If you have information as to the person(s) responsible for these thefts, call us or Buffalo County Crimestoppers at 308-237-3424. You can also report any information about this crime to the Buffalo County Crimestoppers web site at www.crimestoppers.buffalocounty-ne.us/
