CITY OF KEARNEY **PRESS RELEASE** ***For Immediate Release***

Issued Date: April 1, 2019

Point of Contact: Shauna Petzold, Household Hazardous Waste Coordinator, 308-233-3208

“Restore” Weekend Hours

The City of Kearney Sanitation Division has partnered with Kearney Elks Lodge #984 to create the Environmental Ambassadors Program. The Environmental Ambassadors will assist the Household Hazardous Waste (HHW) Program to extend hours that the “Restore” is open to the public. The “Restore” is open Monday – Friday from 8:00 am to 4:30 p.m. year-round. Beginning on April 6th, and going through October, the Environmental Ambassadors will open and supervise the “Restore” on the first and third Saturdays of each month from 8:00 a.m. to noon.

The “Restore” is located in the Household Hazardous Waste (HHW) Facility at 3620 Box Butte Avenue. Items taken to the HHW facility that are in good, usable condition are placed in to the “Restore” for residents to take, free of charge. This not only helps residents by not having to purchase these materials, but the HHW program by cutting down on disposal costs.

The HHW Program is excited to partner with Kearney Elks Lodge #984, as these members are very active in the community and are an asset to the HHW program.
