This weekend, Officers of the Kearney Police Department will be joining other agencies across the State to participate in a nationwide 420 Drugged enforcement campaign looking for drug impaired drivers.

D.U.I. can include impairment caused by consumption of alcohol, illicit drugs, and even driving under the influence of certain prescription drugs. In addition to our patrol officers, we will also have a D.R.E. (Drug Recognition Expert) on duty to help remove impaired drivers from our roads to keep everyone safe
