New Special Event Permit Calendar Available on City Webpage

A new calendar is available through the City of Kearney website which contains information and a link to all City approved Special Event Permit Applications. As Special Event Permit Applications involve the use or closing of City streets, parking lots, sidewalks, we believe it will be helpful to view such events in a calendar format. Additionally, the calendar will contain a link to the application, event date, event time, affected location and event set up/tear down times.

This calendar can be found by visiting <http://www.cityofkearney.org/2054/Calendar-of-Special-Events> or from the City of Kearney homepage, select Government → City Clerk → Special Events.

Check out our web site at www.cityofkearney.org.

We are sending this News Release as a service to the news media and citizens of Kearney.
