Issued Date: July 16, 2019

Point of Contact: Eric Hellriegel, Assistant City Manager 308-233-3222

Residential Flood Refuse Curbside Collection

Curbside residential flood related refuse collection will continue this week for those affected. Please set large appliances aside, as those have to be picked up separately. Refuse should be placed on the curb, away from mailboxes and other landscaping, and away from parked cars. No refuse should be placed in the street. Tree branches will not be collected curbside, please continue to utilize the Yardwaste and Tree site at the landfill for such items. Please be patient, as City staff is still maintaining normal route schedules and is working to get everything cleaned up as quickly as possible. Roll-off boxes may still be available.

If you have questions, please e-mail floodresponse@kearneygov.org or call (308) 233-3222.
