CITY OF KEARNEY **PRESS RELEASE** ***For Immediate Release***

Issued Date: August 6, 2019

Point of Contact: Andrew Harter, Assistant Director of Public Works, 308-233-3246

New Lane Striping Configuration: 30th Avenue Overpass

The City of Kearney Public Works Department would like to inform the traveling public that they will soon notice a new lane configuration when traveling over the 30th Avenue overpass. Expected to be completed by Friday, August 9 crews will be removing the existing lane striping and restriping the overpass section. The new configuration will have two southbound lanes and one northbound lane when completed.

As a result, traffic will not be forced to merge from the two-lane road to a one-lane road when heading southbound toward Kearney High School.

Citizens are asked to use caution when driving the reconfigured overpass section.
