Tree Basics for Homeowners (FREE CLASS!)

The Kearney Park and Recreation Department is currently taking registrations for Tree Basics for Homeowners Class. Trees are beautiful and have many benefits, but there are troubles that can arise when planting and caring for trees. Join our City Forester, Alan Roesler, and Assistant City Forester, Mike Fearnley, as they cover such tree topics as: proper planting practices, pruning, and tree selection. If weather permits, some light, hands-on practice pruning will be done. A question and answer period will be included to discuss any tree challenges you may be experiencing. Pruning tools will be provided, but you can bring your own as well.

This is a FREE CLASS, but pre-registration at least 3 days prior to the class is required. Class will be held on Sunday, February 9 from 2:00 - 4:00 p.m. at the Harmon Park Activity Center. To register or for more information: stop by 2005 1st Avenue, call 308-237-4644, or sign up online at KPRregister.org.
