Kearney Race Series

Kearney Park and Recreation, Kearney Family YMCA, Buffalo County Historical Society/Trails and Rails Museum, UNK Loper Programming & Activities Council and Kearney Regional Medical Center have teamed up to develop a series of races to compete in. The Kearney Race Series has been developed to encourage and promote personal wellness, active lifestyles and competitive fun! Based heavily on participation, the Kearney Race Series provides an extra incentive for all ages and abilities to participate in a community race. Registration is free, and is automatic when participants check the box to confirm they want to be a part of the Kearney Race Series while registering for individual races. The series will include both participation points and placing points. This means that participating is just as important as trying to place in order to qualify for year-end awards.

For a complete list of races and more information, please visit the Kearney Race Series Facebook Page or go to www.kearneyraceseries.org.
