Kearney Public Library offers virtual Mad Science Show: Frio the Dragon

Join us online Friday, May 29 at 3:30 p.m. for a special Zoom classroom event as we explore the world of Frio the Dragon in the Quest for Fire show. Mad Science of Greater Kansas City has been sparking the imaginations of children since 2002. Through hands-on science experiences that are as entertaining as they are educational, their innovative programs help kids learn about science.

Registration is required for this Kearney Public Library online program. Please plan to register for the program no later than Thursday, May 28 at noon. To register, visit our webpage www.kearneygov.org and click on Events, then the Register Here circle. Participants will be emailed a Zoom access code prior to the program. A Zoom account is required for this program – accounts are free to create! Limited seating is available. All ages are welcome to participate.
