Kearney Public Library Offers Virtual Programming

The Kearney Public Library invites patrons of all ages to be part of our free programs and activities. While our in-library programs are on hold due to COVID-19, we are offering virtual programming via Facebook, our website and our YouTube channel. Many of the offerings are grab and go programs, with the library providing the majority of the supplies needed.

Fall programming includes: a book club, arts and crafts, pub quiz, story time and a reading challenge for youth and adult patrons. We will continue to add virtual programming content, so check back periodically to see what else the Kearney Public Library has to offer. Register soon as space is limited! For more information, please call the main desk at 308-233-3282.
