Kearney Public Library to Reopen

The Kearney Public Library will reopen to the public at 9:00 a.m. on October 19 and is strongly encouraging patrons to wear masks when visiting the Library. Masks are available free of charge at both entrances. We also ask that patrons social distance from staff and stay in front of the shields. Please be aware, that we can only offer limited technical assistance and cannot handle your phones and other devices.

Our goal is to maintain a safe environment for staff and patrons during this pandemic while still offering the highest level of service possible and an enjoyable place to visit and study. If we all continue to do our part, we can all get through this together.
