SUSPICIOUS ACTIVITY – KEARNEY HIGH SCHOOL

The public may notice an increased police presence at and around Kearney High School along with our School Resource Officers. At this time, KPD is attempting to locate a male subject who attempted to gain access to Kearney High School property with unknown intentions on Monday, May 3, 2021.

We have no evidence of a threat to the school, students, or staff, however; we take the safety and security of our schools seriously, thus out of an abundance of caution we support the decision to place the school in a “Lockout” status as we continue to investigate this report. Additional details will be released as available, we appreciate your patience.

The Kearney Police Department is working closely with KPS and our Law Enforcement partners on this incident.
