Electronics Collection Event

The City of Kearney Sanitation Division has partnered with the Nebraska Recycling Council and American Recycling to provide free recycling for Cathode Ray Tube (CRT) televisions and monitors. Other items accepted include computer equipment and accessories, audio/video equipment, laptops, cell phones, cords, cable boxes, and gaming consoles. This event will be held during the week of May 17 - May 21. During that week residents will be allowed to bring their electronic items to the Kearney Area Recycling Center located at 3007 East 39th Street between the hours of 8:00 a.m. and 3:30 p.m.

This service is available due to a grant received from the Nebraska Environmental Trust. The Trust is funded by proceeds from the Nebraska Lottery and has awarded more than \$320 million in an effort to protect the air, water and land in all 93 counties in Nebraska since 1994.

We would like to remind residents that there is construction on East 39th Street between the Fairgrounds and Airport Road. Please use caution near the work zone and allow extra time to bring your items to the Recycling Center.

If you have any questions, please call the Kearney Area Recycling Center at 308-233-3206.
