CITY OF KEARNEY **PRESS RELEASE** ***For Immediate Release***

Issued Date: July 12, 2021

Point of Contact: Andy Harter, Director of Public Works (308) 233-3218

City Wide Tree Cleanup & Placement of Tree Debris

The City of Kearney would like to inform the public that trees need to be placed in the street along the curb line. A long linear pile along the curb that is not blocking the lane of travel is ideal for our large equipment to pick up the pile and load it into trucks for removal. If the piles are placed in grass areas there is a high likelihood of the turf being damaged. Please try and combine small piles with your neighbors if possible. All cars should be moved away from the piles to allow equipment to maneuver safely.

Incorrect Placement

Correct Placement
