The City of Kearney and Ensley Electric announce that beginning Monday, July 26, 2021 construction work will take place on 11th Street and on 30th Avenue at the Hike & Bike Trail Crossings. The work will involve construction of the Pedestrian Hybrid Beacon systems (signals) at these two four-lane roadway trail crossings. Crews will be working periodically at each location throughout the next three to four weeks. Drivers should expect traffic to be reduced to the inside lanes in both directions intermittently during construction. Construction is expected to be completed by Friday, August 20, 2021, weather permitting. Citizens are urged to use extreme caution when traveling through the work zone.
