CITY OF KEARNEY **PRESS RELEASE** ***For Immediate Release***

Issued Date: July 28, 2021

Point of Contact: Andy Harter, Director of Public Works, (308) 233-3218

City Wide Tree Cleanup Ends

The City of Kearney announces that the City's assistance with picking up curb side tree branches over the past three weeks has been completed. City crews will no longer be picking up curb side tree branches. As a result of the July 9th storm, City crews have collected and hauled 205 truckloads of downed trees to the Kearney Area Solid Waste Agency Landfill.

The City of Kearney's Sanitation Department continues to grind this material into usable mulch that citizens are welcome to pick up and utilize for their personal landscaping projects. This material is available at the Kearney Area Solid Waste Agency Landfill located at 6711 West 56th Street. The City of Kearney would like to thank the citizens and businesses who cooperated in setting branches along the curb in such a timely manner for easier removal.
