- 2) Gain voluntary compliance from the public, through aggressive traffic statute enforcement practices that are specific to location, time and type of violation.
- 3) Reduce the number of vehicle collisions at high traffic volume intersections and roadways.

The **criteria** will for determining these locations will be based on:

- Accidents and causes
- Traffic Congestion
- Public Complaints – **Please Use Access Kearney to report**
- City Complaints
- Manpower
- Calls for Service Load
- Officer / Supervisor Observations and Recommendations

### **Priority Traffic Enforcement Areas for August are:**

- 1) 29th Street (2nd Avenue – 9th Avenue)
- 2) Ave I (25th Street – 39th Street)
- 3) 11th Street (2nd Avenue – 30th Avenue)

Please remember that school will be starting August 11th and it is time to slow down in school zones, watch for pedestrians crossing streets, and be mindful of buses making stops to load and unload children. Kearney Police Department officers will be out enforcing traffic laws in order to keep children safe.

While officers may enforce any observed violations, the targeted violations will be speed enforcement, traffic signal violation, improper wide turns, and other observed traffic violations.
