Lane Closures at North Railroad and 5th Avenue

The City of Kearney Utilities Department announces a valve replacement will take place in the northwest corner of the intersection of North Railroad and 5th Avenue starting at 9 a.m. on Tuesday, December 7, 2021. The work will impact the westbound lane of North Railroad and the southbound lane of 5th Avenue by reducing each roadway to one lane of traffic. The roadway will be reopened completely by noon on Friday, December 10, 2021, weather and construction permitting.

Motorists are asked to use caution in the area and to watch for construction workers and equipment. If an alternate route is possible, we recommend that motorists use the alternate route.
