Michael Morgan to Continue as Kearney City Manager

In light of extensive leadership changes in the community and the limited number of applications received for the city manager position, the Kearney City Council asked City Manager Michael Morgan to reconsider his decision to retire. Mayor Stan Clouse stated “Kearney has several large projects underway that require experienced leadership and we appreciate Mike’s willingness to continue in his current capacity as City Manager for the foreseeable future.” The current employment contract for Michael Morgan will remain in place and the search for a city manager will be discontinued.
