### **EMERGENCY/OUTDOOR WARNING SIREN ACTIVATION TEST**

During the Outdoor Warning Siren Activation for the City of Kearney last evening it was determined not all of the sirens in Kearney activated. Adjustments have been made and it is believed the issue has been resolved. The Buffalo County/City of Kearney Emergency Communications Center will be conducting multiple siren tests today to verify that the Outdoor Warning Sirens in Kearney are working correctly.

There will be multiple activation tests, these tests will be conducted between 1 and 2 p.m. today, June 7, 2022. We appreciate your patience as we work to resolve the issue and correct the malfunction. We will provide an update after testing is complete.
