CITY OF KEARNEY **PRESS RELEASE** ***For Immediate Release***

Issued Date: July 5, 2022

Point of Contact: Jason Whalen, Fire Administrator, (308) 233-3226

Fireworks Clean-up

The Kearney Fire Department and the City of Kearney would like to remind citizens to promptly and safely clean up the remnants of the fireworks that were set off over the Independence Holiday. The City of Kearney asks residents to clean up the firework debris out of the streets so that it doesn't wash into the storm drain system.

The Fire Department would also like to remind residents to ensure that the firework debris has been soaked with water and is completely cool prior to placing them into a trash container. As a precaution it is also recommended that you do not place the trash containers inside or up against your home after placing firework debris inside of them.

If you have any questions, please contact the Fire Department at (308) 233-3226.

Check out our web site at www.cityofkearney.org.

We are sending this News Release as a service to the news media and citizens of Kearney.
