United Airlines to Reinstate Flights Booked November 1 and Beyond

Travelers that have received notification that their Kearney to Denver flights have been cancelled from Kearney Regional Airport starting on November 1, 2022, will have their tickets automatically reinstated by United. This notice was sent to ticket holders due to the SkyWest schedule being deleted from the booking system, however, United is currently working to upload the Denver Air Connection schedule and when that process is complete tickets will be reinstated for travel from Kearney Regional Airport.

Please reach out to United Customer Service, 1 (800) 864-8331, if you have any further questions or concerns regarding your upcoming travel.
