CITY OF KEARNEY PRESS RELEASE For Immediate Release

Issued Date: April 13, 2016

Point of Contact: Paul Briseno, Assistant City Manager, (308) 233-3222

Downtown Streetscape Upgrades

Spring has arrived! The Downtown Streetscape upgrades will be implemented over the next three weeks. The Downtown Improvement Board is moving forward with streetscape improvements on Central Avenue from Highway 30 to Railroad Street. These improvements include planters, benches, trash/recycling receptacles, and banners. The first phase will include preparation of concrete for the planters.

This plan was developed in-house using past studies and recommendations to create cohesiveness through infrastructure. Furthermore, it maximizes the newest investment of water and electricity infrastructure. A single larger planter will be located on every corner and contain colorful seasonal flowers.
