Kearney Park and Recreation is thrilled to announce the launch of CourtReserve, a reservation system for the new Ernest Grundy Tennis Center.

The purpose of the system is for users to be able to see what is scheduled on the courts at all times, and more importantly to be able to reserve a specific open court on a specific day and time.

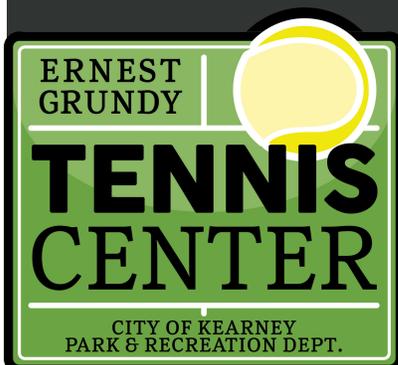

We encourage everyone to utilize the CourtReserve App.

STEPS TO GETTING SIGNED UP ON THE COURTRERESERVE APP

1. Download the free CourtReserve App on your cellular device. (use Google Play or the Apple App Store)
2. Click 'Don't Have an Account?' in the bottom right corner.
3. Search for 'Ernest Grundy Tennis Center'.
4. Create your account by filling out the form and choosing a membership; make sure you choose membership based on your household, not individually. If you are not sure you want a membership, choose 'Drop-In (non-member)' at the bottom of the scroll menu. This will allow you to bypass credit card information but still create an account, so you can reserve courts.
5. Once you have an account, enter ALL family members who will utilize the facility. Parents need to be in the system as well as their children. On the Dashboard scroll down to My Account. Click on Family, then click on Add Family Member in the top right corner. Repeat steps for each family member.
6. Search the app and become familiar! Reservations are for booking courts. My Reservations are all the future bookings you have signed up for.

Once you have created an account on CourtReserve, a welcome email will be sent. The email will provide more information on how to book a court, access your account and provide more details about memberships.
