

OVERVIEW

- free to use
- library provides die cuts, mats, iron, ironing board, and cleaning tools (list of available die-cuts can be found on our website)
- bring your own supplies/materials
- extra table space is available for laying out big projects, etc.

INSTRUCTIONS

Locate required die cuts and matching sized mat

Open machine

Press the green power button

Lay die cut down (foam side up), then fabric

Place mat on top

Gently push into the slot until the machine starts
to pull it through

Remove cut fabric

Repeat until your project is completed
