

SEWING MACHINE

OVERVIEW

- \$1.00 per session
- bring your own supplies
- operation manual available
- multiple foot options
- embroidery available: 4" by 4"
- supports PES embroidery files

INSTRUCTIONS

If machine is not set up:

- find a staff member
- install correct parts (sewing or embroidery)

Power on machine

Put your thread on spool pin and cap it

Follow the illustrated instructions

- threading the needle
- bobbin (located on machine)

Put fabric under presser foot and lower it

Choose between using the operation buttons

on the machine or using the foot pedal

Choose stitch type, length, and direction

Begin sewing by either pressing green arrow or

by pressing the foot pedal and guide fabric

Raise needle and presser foot and cut threads

Please note: embroidery sewing works slightly differently. Staff will be on hand to help you get started.
